Hearing: Discussion Questions

- **Read Luke 6:45.** David Grant's message was based exclusively out of this passage and he had four major points that he hit. He said that out of the abundance of the heart:
 - *...is the words that come out of your mouth.* Take some time thinking about what kind of words you have used this week. Were they hurtful? Encouraging? Sarcastic? Do you say mean things and say "Just kidding" afterwards as he pointed out?
 - If the words you use aren't what you want to be known for, what can you do to help change them into words of life and encouragement?
 - *... is the expression on your face.* David said that the face and the eyes are mirrors to the soul. What does your expression say about you? What kind of expression do you usually wear?
 - Is that what you want it to be? If not, what can you do to help change that expression so you portray who it is you want to be?
 - *... is the work of your hands.* What have you done with your hands this week? Have you hurt or healed? Bruised or blessed? Or have you not done any of these?
 - What is the danger in apathy when it comes to our faith?
 - *... is the direction of your feet.* Spend some time going around the small group and sharing what you feel is the direction of your life and how you think God is leading you.
- David said that "Our lives are like currency for God to spend however He pleases." Does that give you comfort? Why or why not?
- Pastor Mike said that David Grant has been his hero from afar for quite some time. Who are some of your heroes of the faith? Share with the group.
- What part of Project Rescue stirred you up the most? Discuss with the group.

Doing: Application

- David said that he gave that the Lord every day and every dollar, totaling 13 years and over a quarter of a million dollars of personal money!! What can you do as a small group to have the same type of giving spirit as David?
 - Discuss both your time and your money.
- David and Beth spoke a lot about Project Rescue and the ways we could help, especially at the 6pm service. What are some ways that you as a small group could specifically help their cause and mission?
